About The Arc of Georgia

The Arc of Georgia is a non-profit membership organization and has existed for over fifty years. Through public policy advocacy, sustained positive changes have been realized for people with intellectual disabilities and their families.

Affiliated with The Arc of the United States, The Arc of Georgia is one of over 700 chapters located throughout our country. The Arc of the United States advocates at the federal level to ensure positive change for people with intellectual disabilities and attempts to prevent any harmful legislation from becoming law. In Georgia, there are over twenty local chapters which make a difference at the local level, but also contribute to a statewide presence. Our work is not yet done, but together we can make a difference.

The Arc of Georgia’s Guiding Principals

- The Arc of Georgia is committed to families and will work to develop programs, funding and public policy that will help support families who have loved ones with developmental disabilities. In addition, The Arc of Georgia is committed to reducing the incidence of developmental disabilities and creating public awareness.

- The Arc of Georgia is committed to our local chapters of The Arc, and will work to develop programs and public policy that will help support them in their mission of providing quality services to people with developmental disabilities.

I. Source of Funds:

Joinder Agreement Rev. January 2019
Pursuant to federal law, the trust will only accept assets held in sole tenancy.

**IMPORTANT:** Where the Grantor and Beneficiary are separate individuals and both the Beneficiary and Grantor have funds or assets to place in trust for the Beneficiary, separate Sub-Accounts should be established, and separate Joinder Agreements completed for each set of funds. Please fill out either section a or b below whichever applies to this Sub-Account.

a. Beneficiary’s assets to be transferred to the trust -- list here. (Note: Medicaid may have a prior lien in relation to personal injury proceeds.)

b. Grantor’s assets -- list here.

**J. Distributions of the Remainder upon the Beneficiary’s Death:**

If this Pooled Trust Sub-Account is funded with the Beneficiary’s own money, federal law at 42 U.S.C § 1396p(d)(4)(C) provides that any assets remaining in a Trust sub-account at the death of the Beneficiary are subject to a State Reimbursement Claim by the State for any Medicaid benefits made on the Beneficiary’s behalf. Such claims have first priority. At this time, Georgia policy is that a Pooled Trust cannot retain funds rather than paying State reimbursement claims. If State policy changes, the Grantor may elect that an amount be retained by the Trust to be used for the sole benefit of other disabled individuals. Under those circumstances, the amount retained by the Trust would not be subject to a State Reimbursement Claim. Remaining amounts which are not subject to State claim, or that are not retained by the Trust would be distributed to Final Remainder Beneficiaries designated by the Grantor.

If this Trust Sub-Account is being funded with assets that do not belong to the Beneficiary, then there is no requirement that State Reimbursement Claims be satisfied and no such funds will be distributed to satisfy any of...
these claims.

1. **Trust’s Remainder Share**: Please note what percentage of the Beneficiary’s Sub-Account remaining corpus or fixed sum you elect to be retained by the Trust after being used to satisfy State Reimbursement Claims if any:
   
   a. Percentage to be Retained by Trust: ______________

   OR

   b. Fixed Sum to be Retained by Trust: ______________

   AND

   c. Please indicate whether you elect the Sub-account’s remaining corpus to be retained by the Trust in the event that the remaining corpus in the Beneficiary’s Sub-Account is insufficient to distribute funds to any Final Remainder Beneficiary(ies) after satisfaction of State Reimbursement Claims

   Initial here to effectuate the above election:________

2. **Final Remainder Beneficiary**: If funds remain after distributions to satisfy State Reimbursement Claims and the Trust’s Remainder Share, list below the persons or entities that you would like to receive the funds.

   Annual statements will be sent to the Remainder Beneficiary(ies) as stated below. Statements will not be sent to Successor Remainder Beneficiary(ies) unless directed otherwise.

   **NOTE** that the Grantor may choose, for a variety of reasons, including tax reasons, to reserve the right to amend the Remainder Beneficiaries of a Sub-Account. The Grantor must sign one of the two following lines:

   A) **The Grantor reserves** the authority to amend the designation of Remainder Beneficiaries:

   __________________________________________________________________________

   or,

   B) **The Grantor does not reserve** the authority to amend the designation of
Remainder Beneficiaries which designation shall be irrevocable:

b) Fixed sum from Trust to be distributed to this Beneficiary: ____________  

7.  Indicate order of priority of distribution; if no priority is indicated then distributions 
will be made pro rata: _____________________________________________

NOTE: If you wish to name more than two final remainder beneficiaries, please attach a 
list of the additional remainder beneficiaries to the Joinder Agreement. In addition, if the 
remainder beneficiary dies prior to distribution of the trust, that beneficiary’s share shall 
be distributed to his or her heirs per stirpes. If you wish to have those funds distributed 
differently, please attach documentation providing your direction to this Joinder Agree-
ment.

FURTHER NOTE: If a lapse occurs in distribution, all remaining funds shall be retained 
as a part of the Trust’s Remainder Share.

FINAL NOTE: Locating Final Remainder Beneficiaries. Grantor acknowledges that 
ARC of Georgia, Inc., may incur additional costs if Final Remainder Beneficiaries or the 
beneficiaries of Grantor’s estate cannot be located easily. Grantor acknowledges and 
agrees that the Trustee may recover its reasonable costs and expenses associated with 
locating such beneficiaries.

K.  Fees and Expenses:

Grantor agrees to pay the fees in accordance with Schedule A that is attached hereto 
and that may be amended from time to time. If fees are not paid in advance by Grantor, 
the Trustee is authorized to charge such fees to a Beneficiary’s Sub-Account.

A minimum of one year’s fee will be charged for any account that is closed before 
twelve months from the original funding date.

If the one-time enrollment fee has been paid for a Sub-Account that is not funded, but 
the annual fees for that Sub-Account are then not paid, the Trustee will notify the Gran-
tor that the Sub-Account is in default. If the fees that are due are not paid within sixty 
(60) days after notice, or if the Grantor does not make arrangements acceptable to the 
Trustee to pay such fees, the Trustee may terminate the Beneficiary’s Sub-Account. 
Should the Grantor wish to re-enroll the Beneficiary at a later date, an additional enroll-
ment fee must then be paid, and a new Sub-Account will be established at that time.

The Arc of Georgia Pooled Trust

The Trustee may initiate an investigation into the nature of the Beneficiary’s disability. This would include a review of an existing Care Plan, if available, or the development of a Care Plan for the Beneficiary. The Care Plan will be used by the Trustee as a guide when reviewing requests for distributions, to ensure that distributions will meet the Beneficiary’s goals and objectives, that such distributions are made solely for the benefit of the Beneficiary, and that such distributions are made for supplemental needs only.

Each Grantor acknowledges and agrees to pay the costs of the development of a comprehensive Care Plan for the Beneficiary. The costs for such Plan, and the ongoing review and modification thereof, shall be charged against the Beneficiary’s Sub-Account.

Fees are not refundable.

L. **Trust Disbursements:**

The Grantor recognizes that all disbursements are discretionary, as directed by the Trustee. With this in mind, the Grantor expresses the following desires as to how funds in the Trust Sub-Account might be used: (Please include the name of service, service provider, vendor name, address and phone, cost of service or merchandise, whether periodic and when disbursement should be scheduled to be made).

Proposed Disbursements:

M. **Conservatorship or Guardianship Cases:**

Where the Beneficiary has also been adjudicated disabled pursuant to an order from a court of competent jurisdiction, the Courts may require retention of jurisdiction over the Trust and its administration. Please attach any court order delineating any additional limitations in regard to the Trust’s provisions and its administration. (Note: If the Court orders retention of jurisdiction over the Trust on behalf of its ward, then ARC of Georgia, Inc., as Trustee, must be served with summons and made a party to the proceeding).
